Updated!!!!!! Bus Transportation for Bob Graham Education Center

2008 – 2009

In an effort to alleviate the high volume of traffic around Bob Graham Education Center, the Town of Miami Lakes, in collaboration with Miami-Dade County Public Schools is now offering school bus transportation to the students attending the school for the 2008 – 2009 school year.

We hope the families take advantage of the program and look forward to a safe and productive school year. We extend sincere gratitude to the Town of Miami Lakes for their continuing commitment to improve the community for our school's children.

For more information please call Bob Graham Education Center.
